

## **INVITATION FOR BIDS**

The Cambodian Human Rights and Development Association (ADHOC) was founded in December 1991 after the signing of the Paris Peace Agreements. ADHOC is an independent, non-partisan, non-profit and non-governmental organization. ADHOC’s vision is a society that respects human rights and law. For more than 32 years, it has worked to address the absence of basic rights, freedoms and liberties in Cambodia by providing people with knowledge and understanding of human rights, law and democracy, and how to defend their rights and freedoms. At the end of 2023, ADHOC received a funding grant from USAID, and we are now looking to bid for two vehicles with the Tax Exception cost of running our project. The vehicles will be;
